General
Secretary to the Government of His Highness
the Maharaja of Mysore, Bangalore.

SIR.

In forwarding herewith copy of French Rocks Circle Police Superintendent's letter No.523 dated 23rd ultimo together with its enclosures, I have the honor to state that Daffedar No.284 Shamanna of that Circle had, at the time of enlistment as a constable, given the year 1892 as the year of his birth and the same was entered in the service Register that was subsequently opened.

But when on his promotion to a Daffedar's post he was asked to submit proposals for life assurance, he produced a horoscope stating that he was born in the year Vikruti which corresponds to the English year 1890 thus making him older by 2 years and also pleaded that the year of his birth given at the time of enlistment was approximate as he gave it from memory and requested permission to submit proposals for insurance after the discrepancy as to his age in his service Register was rectified.

Under these circumstances, sanction for correcting the date of his birth in the Service Register from 1892 to 1890 may kindly be accorded.

I have the honor to be,
Sir,
Your most obedient servant,

I have the honor to state that when orders to the Deputy Amildar, French Rocks, were issued to direct Shamanna, Daffedar No.284 to submit proposals for life insurance, the said Daffedar represented that, at the time of his enclistment, the horoscope had been mislaid and that the age given then was only approximate. The age given and entered in the Service Register is 1892 which corresponds to the Hindu year-Nandana. But from the copy of the original horoscope herewith submitted it is seen that he was born in the year Vikruti which corresponds to the English year 1890. I therefore request that sanction of Government may kindly be obtained to correct the date of his birth from 1892 to 1890 in the service Register which is also herewith submitted
